## Experience

### Assistant Manager

2017-2018

As an assistant manager at PDQ Car Wash, I was responsible for providing exceptional customer service while overseeing the day-to-day operations of the facility. I supervised and trained a team of employees, ensuring that all tasks were completed efficiently and to a high standard. In addition, I managed bank deposits after close and handled customer complaints.

## Education

### Web Design and Development

2018-2021

Northeast Wisconsin Technical College

I learned the principles of web design, including visual design, front-end development, and accessibility. Through hands-on projects I developed a proficiency in HTML, CSS, JavaScript, and other web technologies.

### Design and Graphic Technologies

2022-2023

Northeast Wisconsin Technical College

During my studies in this program, I gained a comprehensive understanding of design principles, digital media tools, and techniques for creating visually compelling graphics. From this program I developed proficiency in industry-standard software such as Adobe Creative Suite, and then applied these skills in creating a diverse range of projects.
